Subject: Certificate of Cooperation

Barendrecht, 10 July 2020

Dear Sir,

Herewith we confirm that the AFRAH flow calibration facilities for Volumetric and Mass Calibration, Master Meter Method, Precision Tank Calibration located in Tehran Iran are based on recognized international rules and law in Europe

This certificate of cooperation is issued after several stages of technical inspection, review of documents and quality audit of AFRAH Company as an ISO/IEC 17025 Accredited Calibration Laboratory, by ODS Metering Systems B.V. (hereafter called ODS). ODS verified that the AFRAH specialists, their calibration equipment, procedures, methodology and activities are in accordance to European Calibration Standards.

For over fifty (50) year ODS offers global international Flow Meter and Prover calibration services through our accredited Liquid Volume & Mass based flow calibration facility in Barendrecht the Netherlands and portable installations. ODS is an approved manufacturer at MOP of Iran for Provers, Metering Control Systems, Liquid and Gas metering systems.

The ODS calibration facility and services are approved by VSL (Dutch Metrology Institute) and NMI Certin B.V. (Dutch Institute for Measurement and Weight) under Approval/License No 2542.

The next audit and inspection will be end of December 2022.

Best regards,

Berry van Hoek
